

When I went to the Texas zoo

By Jason

In 2007 we were in Texas visiting my aunt, uncle, and cousin, we went to the Texas Zoo. I went with my mom, dad, 2 sisters, and aunt uncle.

First we saw beautiful birds. Then we saw the deadly snakes and the lizards. The enormous giraffes were cool .the rhinos, ostriches, and antelope were really fun to see. Then we saw lions and tiger. We saw hissing crocodiles.

And at the end of the day we had seen all kinds of animals. Some of the animals smelled disgusting. Afterwards we ate at a Mexican restaurant. My favorite was the giraffes. It was a blast.
